

# BE A SUPER CITIZEN

Provided by St. Mary's Parish Conference of the St. Vincent de Paul Society

*Congress has its "Super Committee" on deficit reduction.*

*Now we need Super Citizens to help them do their job.*

## Take action; Tell the Super Committee what to do!

*Contact the Joint Select Committee on Deficit Reduction with this message:*

- No more cuts to social safety net programs, including Medicaid, SNAP and unemployment insurance
- Increased revenue to close the wealth gap and decrease the deficit
- Cuts in unnecessary military spending

Please go to [www.networklobby.org/be-super-citizen](http://www.networklobby.org/be-super-citizen) to find out how to contact the Super Committee.

*We encourage the reproduction and distribution of this sheet to everyone you know. NETWORK's Super Citizen campaign is trying to get at least 1,000 messages to the Super Committee before November 14.\**
